Lady  
Drinking  
Flash man  
She half pissed returned his kiss,  
Another sense of failure,  
Take her to him,  
Life had promised more than this  
Another Valentino  
Clutches  
Too her  
It's time to teach another leech.

I will live within your vision  
Your garden of delight  
Give me just another night  
I will dance within your colour  
Will move across your skin  
Hey lover let the lover in.

Night time  
Slinking  
This place  
A slip away from ordinary  
Very tarantino  
Dancing  
Cha cha  
The skin will hide the sin within  
A colonnaded garden  
Stretch down to her  
The sex was just the best she said

I am stuck within your shadow  
A trip from light to dark  
A whistle and another bark  
I will slide around the maiden  
Take heat from how she glow  
Ever green but never go

Don't break clean

I will live within your vision  
Your garden of delight

Give me just another night  
I will dance within your colour  
Will move across your skin  
Hey lover let the lover in
