Terror..This is what you call me...  
(scream)x2

I strike terror among men  
I forgive but I never forget.  
I've been put upon this earth in FEMALE form  
But I can handle myself with the best of you  
I have the right to remain silent  
But I choose to speak, sing, scream  
I am POWER OF A WOMAN  
STRONG like music, true like friendship  
But without my friends there would be no music...  
only spoken word

Terror

I am able to change so I live without regret,  
without remorse only a remix  
I am drunk, I am sober.  
Heaven doesn't want me and hells afraid i'll take over.  
Don't bother trying to censor me  
Or shut me up because it won't work.  
I am cold and distant yet warm and close  
To those who deserve to see that side of me part of  
me..  
the heart of me.  
I am me and I know exactly who I am, what I am and  
the wrath I bring  
The ugly beauty, the lying truth,the virgin whore...  
The quiet storm  
A lover, a fighter, a saint, a sinner, a sister,a daughter  
old school..... a begginer.

Terror

I've been crucified,  
justified and mortified by my behavior.  
My relief is my release and only time will tell  
all is well that ends well.  
I am unsweetened,unclean...  
beign called a drama queen , ex-girlfriend,ex-  
member...  
the tantrum, the temper  
I point my finger...  
Take the blame and this time I will own the name  
because no one is going to ruin me  
if I have to I will ruin myself  
and then it will be MY RUIN
