Fear of a Mixed Planet

Yall out there?
Well clap your hands to who he's doin
WHO he's doin
And clap your hands to who she's screwin
Uh! Come on!

Mister Mister, is that your girl or your sister?
Sister, is that your boyfriend or your brother?
Brother, you look more like your lover than your mother
Dead on each other
Don't they make a good couple of body doubles?
Way happy at the fact that they're makin DNA copies.
Dead on each others lips, dead on each others nose
I hope the baby's got ten toes!

Uh-huh, uh-huh, uh-huh

Fear of a mixed Planet

Woo! Come on
You out there?

Mister Mister, is that your girl or your sister?
Sister, is that your boyfriend or your brother?
Brother, you look more like your lover than your mother
Dead on each other
Don't they make a good couple of body doubles?
Way happy at the fact that they're makin DNA copies.
Dead on each others lips, dead on each others nose
I hope the baby's got ten toes!

I hope that baby's got ten toes!
Look out now! Yall out there?

I need everybody to step back
Step back and look at yourself people, look at yourself!

Oh-ho, look at these two! Look at these two.. hee hee
I know you think she's cute cause she looks just like you
And you look just like her! Ha ha ha ha

Mister Mister, is that your girl or your sister?
Sister, is that your boyfriend or your brother?
Brother, you look more like your lover than your mother
Dead on each other
Don't they make a good couple of body doubles?
Way happy at the fact that they're makin DNA copies.
Dead on each others lips, dead on each others nose
I hope the baby's got ten toes!

And clap your hands to who she's screwin

Take both of 'em out right now! Take 'em! Take 'em!
Take 'em!
Woo hoo hoo!

Fear of a mixed Planet!

Red Five, where ya at? Red Five, where ya at?

We got two look-a-likes comin up the staircase again
Think you'll get a clean shot?
I'm on 'em! I'm on 'em!
I can't see 'em!
Woo! Where ya at Red Two? Red Two?

I got two more body doubles comin up the alley

Same eyes, same hair, same body structure,
same bones and everything; can ya get a clean shot?

I'm on 'em! I'm on 'em! I'm on 'em!
Red Four, where ya at baby? Where ya at baby?
