EVERYBODY'S SCREAMIN OUT
VOICES ON MY LUNGS RIGHT NOW
THROWIN IT ALL OUT THE DOOR
DON'T NEED TO FEAR, LET'S SHOUT RIGHT NOW

I'LL HOLD YOUR HAND
GO CHASE THE STARS
IT'S BORING HERE
NOTHING TO FIND, IT KILLS MY MIND
LET'S START A NEW DAY
(shout!!!)

chorus:
I'LL SHOW YOU A NEW WORLD
WHERE YOU CAN FLY BESIDE ME
RUN NAKED AND DANCE FREE (2X)
SAIL A FREEDOM LIFE

take me out the door
fall out but don't slip
breakin off the past
never looking back now don't freak
out
rip em out
and go SCREAM, SHOUT SHOUT SHOUT SHOUT

don't you hesitate
to change things to the way you say you want them be
take the world
and put it right on our hands
and now GO OUT, GO OUT, SCREAM OUT SCREAM OUT
