Wakin up slow on a Tuesday
Grabbin a coffee and on my way
Drivin up, goin sixty-five
Just another day to get by

Oh my my, when I'll see the pretty face again
To have you to in my arms would be the greatest God
could give to me

Darlin, won't you be my melody
We're together yeah, if we're meant to be
So won't you be the best of me
Will you be another memory
Won't you catch a minute with me
And maybe we'll get past this irony

It's crazy how that even now
Nothing's going as it should be
I'm still bitter, I'm trying to say
I'll switch plans and we'll go away

I wonder why we suck at this
Situation that's obvious
Maybe it's me, maybe it's her
Maybe it's the love that's not for sure

Darlin, won't you be my melody
We're together yeah, if we're meant to be
So won't you be the best of me
Will you be another memory
Won't you catch a minute with me
And maybe we'll get past this irony
So won't you be the best of me
Will you be another memory
Won't you catch a minute with me
And maybe we'll get past this irony

Will the sun shine, will the sun shine, will the sun
shine
Will the sun shine today

So won't you be the best of me

Will you be another memory
Won't you catch a minute with me
And maybe we'll get past this irony
