yes it's true  
i've got demons inside me  
and sometimes they need to speak  
my dark places make me feel ugly  
my lips are glossed but my heart is weak  
i'm diseased  
as seen on tv  
please forgive me  
for not being pretty or sexy  
but god never blessed me  
here's what you'll find next time you  
undress me  
scars  
wounds  
i'm bruised  
watch me bleed  
i'm your beauty  
watch me bleed  
beauty fiend  
once again  
without perfect teeth  
i begin the dream as i sleep  
soon i've sinned  
my skin is still thick  
my mouth as always is brutally honest  
at my calmest  
i'm tired of explaining how it feels  
to be exploited and rated number one, two or  
seventeen  
fuck what they print in those damn magazines  
scars  
wounds  
i'm used  
watch me bleed  
i'm no beauty  
watch me bleed  
beauty queen  
watch me bleed  
i'm your beauty  
watch me bleed  
beauty fiend  
stuck inside this mask of mine

there's no place for me to hide  
won't you please come suck me dry  
don't touch me  
don't fucking touch me  
don't touch me  
why can't you see beyond my skin  
size  
my shape  
my ass  
my tits  
i am not your pretty face  
i'm just a girl  
the girl you love to hate  
watch me bleed  
i'm no beauty  
watch me bleed  
beauty queen  
watch me bleed  
i'm the beauty  
watch me bleed  
beauty fiend  
why can't you see beyond my skin  
size  
my shape  
my ass  
my tits  
i am not your pretty face  
i'm just a girl  
the girl you love to hate  
stuck inside this mask of mine  
there's no place for me to hide  
won't you please come suck me dry  
don't  
don't you fucking touch me  
pig
