[chorus]

this is a mantra
for myself
this is a mantra
for someone else
this is a mantra
so be warned... hell hath no fury like a woman scorned

sweetly
he smiles at me so bright it burns me
tongue twisted sick with words
she'll get what she deserves
she got what she deserved!
see me
i look at you so deep that she feels me
girl tricks make you believe
but she steals me
i will be her disease
diabolina screams...

[repeat chorus]

keep me
so safe inside your sins are secret
i watch you live your life in regret
you'll get what you deserve!
sleepy
you close your eyes but you can't dream me
dirty girl so mean can't clean me
i will be your disease
diabolina screams...

[repeat chorus]

and i swear
sacred as this heart of mine
strong as the ties which bind us
heavy as this cross
which i forever bare
eternity will be the hell we share
and what you want i don't care cos it doesn't concern
me

this is about what i need
so bleed as the needle goes in, i'm creeping under
your skin
soak you in sickness and scent you in sin
so say you love her and i'll believe you
but if you can't then you only deceive you
i said i love you and i don't lie... remember that
next time you kiss me goodbye
