Tie yourself to me!
No one else knows,
You're not rid of me. No, You're not rid of me.
I contain?
I breathe, hah hah hey hey,
You're not rid of me. Yeah, you're not rid of me
You're not rid of me; you're not rid of me
I am you my, darling,
Don't, leave me, I'm hurting,

Lick my licks, I'm on fire,
Lick my licks of desire,
Lick my licks, I'm on fire,
Lick my licks of desire,

I'll tie your legs, keep you, against my chest,
Oh, you're not rid of me, Yeah; you're not rid of me,
Make you lick my injuries,
I'm gonna twist your hand to stay,
Make you lick my injuries,
I'm gonna twist your hand to stay,

Do you see? Don't you wish you, never, never, never,
Don't you, Don't you wish you never, never, never,
Don't you wish you never, never, never.
Don't you wish you never, never, never.

Thank you, my darling,
Don't leave me, I'm bleeding,
I'm so lonely, of everything,
Oh, everyday I'm hurting,

Lick my licks I'm on fire,
Lick my licks of desire,
Lick my licks, I'm on fire,
Lick my licks of desire,

You're not rid of me, you're not rid of me,
I'll make you lick my injuries,
I'm gonna twist your hand to stay
I'll make you to lick my injuries,
I'm gonna twist your hand to stay,

Do you seeâ€¦Don't you wish you, never, never, never,
Don't you, Don't you wish you, never, never, never,
Don't you, don't you wish you, never, never, never,
Don't you, Don't You wish you, never, never, never,
Don't you, Don't You wish you, never, never, never,
Don't you, Don't You wish you, never, never, never,
Don't you, Don't You wish you, never, never, never,
Don't you, Don't You wish you, never, never, never,

Lick my licks I'm on fire,
Lick my licks of desire,
Lick my licks, I'm on fire,
Lick my licks of desire,
