Are you ready? come on, yeah! come on baby cause
we're going down - tearing up this whole damn town...
Light it up and take a hit - come alive and shake that
shit!

[Chorus:]

Here we go, we're at it again - living fast yeah
Sin after sin been held down for way too long,
Come over here while I slide you the horn!
It's a crazy little party town - flying high 'til we hit the
ground
So come on baby let's tie one on and keep it going to
the break of dawn, yeah!

[Chorus]

Slide it!

Yeah you're going down baby, oh driving me crazy
Nobody can save me - can't fight it know you gotta
slide it yeah... oh yeah!
A little whisky is all we need - some uncle jack from
tennessee
So come on baby let me see you shake - you're going
down while we pick up the snake!

[Chorus]

Yeah! you're going down baby, oh driving me crazy
Nobody can save me - can't fight it know you gotta
slide it yeah... oh yeah!
Here we go rock hard fast... die young stay pretty - you
know it won't last, no way!
