I put my trust in you
And you betrayed me
To what I gave you
And fuckin' raped me
And you can't kill me
It's not that easy
I'm still standing
Still breathing

[chorus]
Spit fire
Spit hate
Spit all the shit you talked back again
To your face
Spit liars
Spit games
Spit truth now that I'm sworn
Remain to say

I gave you faith
And I believed you
Then you escaped
Then who deceived who
You tried to kill me
And then to tell me
You didn't bill me
Can't suck it

[chorus]
Spit truth now that I'm sworn
Remain to say
Small man
Big mouth x2
Yeah
Fuck your label
Yeah
Spit fire
Spit hate
Spit all the shit you talked back again
To your face
Spit liars
Spit fate

Spit truth now that I'm ruined
Remain to say
Small man
Big mouth x4
Yeah
Suck
