

My Ruin "Weightless"

Talk to me
Tell me I'm not skinny
But you think
I'm so pretty
Most stars have to be thin of frame
You want to know how much do I weigh
What

[chorus]
Weightless
You can't look at me
Faceless
So blind you can't see

Showcase it
We play for your ego
That follows me
Wherever we go
Fuck

[chorus]

What's my size
What's my shape
Look at me
I am raped
Anorexic
Or heroin chic
I'm no runway model
Because I fuckin' eat

[chorus]

Insincerity
Insecurity
No integrity
There's no purity
I will not apologize
For scaring you
You are everything wrong
With America
