So sweet, so beautiful
And everyday like a queen on her throne
dont, nobody knows how she feels
Aicha lady one day will be real

She moved, she moved like a breeze
I swear I can't get her out of my dreams
To have her shining right here by my side
I'd sacrifice all the tears in my eyes

Boo whoo whoo

Aicha, Aicha
Passing me by (There she go again)
Aicha, Aicha
My My My (Whooo)
Aicha, Aicha
Smile for me now
I don't know I don't know

Aicha in my life
