He's gunna crack the whip tonight,
But no one understands him,
What he says, it just ain't right,
Too much, too fast, I can't take in,
He's Amit the Indian

No mono but stereo, (mono)
No mono but stereo, (stereo)
No mono but stereo,
Ra da dada, rara da dada, Woo!

Riding via horseback through this life,
Though his life's full of confusion,
How does he ever sleep at night?
Which track? I forgot to pick again
Tell me Amit the Indian.

No mono but stereo, (mono)
No mono but stereo, (stereo)
No mono but stereo,
Ra da dada, rara da dada, Woo!

He doesn't see what I see,
I think he's got a problem with me,
Nothing wrong with the mono setting,
And yet he says to me.

No mono but stereo,
No mono but stereo,
No mono but stereo,

Ra da dada, rara da dada daw
No mono but stereo, (mono)
No mono but stereo, (stereo)
No mono but stereo,
Ra da dada, rara da da daw,
Ra da dada, rara da da daw,
Ra da dada, rara da da dadada woo.
