

## Simple Day "Big Saturday"

I wanna feel like I felt on Saturday,  
Barbie in the sun on a real hot summer's day,  
Go to Elemeno P just hear Dave Gibbo say.  
Much needed urban getaway.

Next thing, I'm standing at the bar,  
With two hot bitches, even though I'll never get that  
far.  
I wanna take them both & I wanna be the man,  
I wanna take a thousand pictures of this Saturday night  
at hand.

Well I guess I'm so excited,  
All my friends have reunited.  
Life is short so take it by the hand,  
This Saturday night is the best night I've ever had!

I wanna feel like I felt on Saturday,  
Shotin' back a Jager I was saving for another day.  
Celebrate a time when we all heard Jordan say,  
Oh thank god for Big Saturday.

Well I guess I'm so excited,  
All my friends have reunited.  
Life is short so take it by the hand,  
This Saturday night is the best night I've ever had!

Here I am and here is Saturday,  
All my friends are here on Saturday.  
Here I am and here is Saturday,  
All my friends are here on Saturday.  
Here I am and here is Saturday, (Big Saturday)  
All my friends are here on Saturday. (Big Saturday)  
Here I am and here is Saturday, (Big Saturday)  
Oh thank god for Big Saturday.
