Here I am on Collection Day,
I hope the man comes and takes my troubles away,
(and I
say x3)
Saves me today
Is tonight gunman be my night,
Will I meet the one, who'll leave my world behind,
(and
I say x3)
Save me tonight

And everywhere I go
And everyone I see,
I wanna be the one who makes you happy
I'll be the star in your eyes
I'm running out on hope,
I'm leaving make believe,
The time is telling me, it's time to finally,
Time to be me.

Sunday night and I'm ready to change,
Gonna make things happen,
It's never too late (too late x3)
Too late to change.

And everywhere I go
And everyone I see,
I wanna be the one who makes you happy
I'll be the star in your eyes
I'm running out on hope,
I'm leaving make believe,
The time is telling me, it's time to finally,
Time to be me.

And everywhere I go
And everyone I see,
I wanna be the one who makes you happy
I'll be the star in your eyes
I'm running out on hope,
I'm leaving make believe,
The time is telling me, it's time to finally,
Time to be me.
