Potty trained by two.
Three, he was in school & failing.
Followed golden rules too.
Apologized to school caretakers

Then by seven years,
Apprenticeship and still no fears
Lepe's got a good career.
Lepe's future's so much brighter.

Something knew,
What he could do,
Flying higher,
Coming through.

Glazier of the year,
He's super fast,
He's super strong,
Give him a call and he'll fix your glass.

Then by 17,
Lepe will keep your windows clean,
If you don't know what he means,
Is that 2 mil or just 3?
Now at 21,
Smoking like a battle gun,
Lepe's no time for fun
G. O.T.Y Is the one!

Something knew,
What he could do,
Flying higher,
Coming through.

Glazier of the year,
He's super fast,
He's super strong,
Give him a call and he'll fix your glass.
Glazier of the year,
Tell your friends,
Give him some cash, but if you take his park,
He'll kick your ass.. (x3)

He'll kick your...

Solo

Glazier of the year,
He's super fast,
He's super strong,
Give him a call and he'll fix your...
Glazier
Glazier...
..of the year.
