Disco punkrock,
You can hear the beat drop.
Suck it in, let's begin
We're the best you've never heard of.

What do you think about that one
What do you think about that one
Ladies & Gentlemen!?

So take me back to when you say,
500 miles, it's a song for me,
We're gunna rock it ACDC.
We're gunna build this city baby,
Now we're sitting at the dock of the bay,
500 miles, that's a song for me!
So whatcha think about that one... Baby?

Straight back, heart attack
Not another cover band,
You don't wanna see.
Well this is the difference,
The point of existence.
I'm digging this feeling when everyone's looking at
me.

What do you think about that one
What do you think about that one
Ladies & Gentlemen!?

So take me back to when you say,
500 miles, it's a song for me,
We're gunna rock it ACDC.
We're gunna build this city baby,
Now we're sitting at the dock of the bay,
500 miles, that's a song for me!
So whatcha think about that one... Baby?

Baby, baby, baby (x16)
Ladies & Gentlemen!

So take me back to when you say,
500 miles, it's a song for me,

Weâ€™re gunna rock it ACDC.
Weâ€™re gunna build this city baby,
Now weâ€™re sitting at the dock of the bay,
500 miles, thatâ€™s a song for me!
So whatcha think about that oneâ€™... Baby?
