You are such a distraction  
Messing with my property  
So I gotta take action

For years. I put in energy  
I won't, let you take that from me  
He's mine, He's mine

Baby boy, I hate that I have to get messy but  
I really hate feeling like I'm fighting for attention  
Why you tryna just -take me right of ya picture for  
another girl? (another  
Girl)  
So don't, let her come in between us

I ain't gunna let him go  
He cannot be happy, I won't let it be so (so)  
I ain't gunna let him go  
He cannot be happy, I won't let it be so (be so)

[tribal CHANT]

You must be thinking I'm joking  
Keep praying and hoping  
You don't see me out

For years. I put in energy  
I won't, let you take that from me  
He's mine, He's mine

Baby boy, I hate that I have to get messy but  
I really hate feeling like I'm fighting for attention  
Why you tryna just -take me right of ya picture for  
another girl? (another  
Girl)  
So don't, let her come in between us

[hope she's worth it]

I ain't gunna let him go  
He cannot be happy, I won't let it be so (so)

I ain't gunna let him go  
He cannot be happy, I won't let it be so (be so)
