Romeo Santos: Padre

George Lopez: mmm

Romeo Santos: Ehh venido aqui a confesarme

Soy un hombre de bueno sentimientos

And I do no harm to anyone

Y no se si es vanida but I like to live a good life

And I admit I have a rare unique personality and at times

George Lopez: Digame Mijo

Romeo Santos: I can be misunderstood

I mean this is the thing father

I work so hard at what I do yet I get so criticized

That I'm starting to feel it maybe my actions they're wrong

George Lopez: what's in your heart?

Romeo Santos: Bueno Padre I mean

There are so many things that I'm not even sure si estoy bien o mal

Por ejemplo I can bye affordable clothes, y toda via lo sirbe bien

But no I need expensive clothes you know top designers,

The best of the best

I don't know I mean is this wrong, is this a sin

George Lopez: no hombre esta loco,

Your talking to a guy who wears the same clothes everyday

Romeo Santos: si padre pero ay mas,

I can reach my destination flying commercial but I choose to fly private
