STILL

music & lyrics: Gerrit Hofsink

I've been waiting for you
For such a long time
You're always on my mind

And I'm lying awake
Most of the night
Waiting to hold you tight

Now that I do
And look at you
My heart is breaking
This can't be true

Chorus Lost you before I found you
Gone before you came
But I love you just the same
Missed you before I met you
On earth we never can
But in heaven we'll meet again

Close to my soul
Close to my heart
Right from the start

Lost in time, lost in space
Can't wait to see your face

Now that I do
And look at you
My heart is breaking
I know it's true

Chorus

Sometimes I find myself wondering what to do
With this pain that I'm going through
But I know one day, God will take me away
And I'm coming home to you

And when I do
And look at you
My heart is healing
I know it's true

Chorus
