You're my favourite daydream  
I'm your famous nightmare  
Everything I see looks like gold  
Everything I touch goes cold  
Castles in the snow

Here's all I know  
Your checkered room and your velvet bow  
Your Elvis song in my ear  
That moonlit voice that I hear

Now we are old as bread  
We walk along our golden crest  
We hide away for a week  
We only look and don't speak

You're my favourite daydream  
I'm your famous nightmare  
Everything I see looks like gold  
Everything I touch turns cold  
Castles in the snow

You're my favourite daydream  
I'm your famous nightmare  
Everything I see looks like gold  
Everything I touch turns cold  
Castles in the snow

Here's all I know  
Your checkered room and your velvet bow  
Your Elvis song in my ear  
That moonlit voice that I hear
