Call to remember
Dark december
Falling flat
Sure went down like that
Ain't the way i see it
Ain't nothing 'bout it
Coming down of the ground
You know it never disappears
'cause the truth is out there
Now looking back i see
There's something wrong with me
All bouncing back again
From way back then

Let-me-die-alone
Under stick and stone
Let them curse my bones

Call to remember
That red december
Falling flat
It was just like that
As they kept screaming
And i kept fireing
One by one 'til there was none
All 4 one and one 4 all
Watch the mighty start to fall
And that's the way i see it
Ain't nothing to it
So pull me down into the ground
