(Verse)

You and I appear awake  
Even in the summer days  
You hang on to the things I say  
But you couldn't see  
What's in my head

(Verse)

You come alone, I'll be down  
Like a nightmare, like a nightmare  
You come alone, I'll be down  
Not the first one, not the last one

(Chorus)

To do it all again  
To do it all again  
Do it all again  
Do it all again  
I'll cry, I'll cry  
When the movie's over  
I'll cry, I'll cry

(Verse)

I don't mind for you favourite things  
In the catalog, of your memories  
You hang on to the falling leaves  
Like the leaves themselves  
You were born to claim

(Verse)

You come alone, I'll be down  
This time you're wasting  
This time we're wasting  
You come alone, I'll be down  
Like a nightmare, like a nightmare

(Chorus)

Do it all again  
Do it all again  
Do it all again  
Do it all again  
I'll cry I'll cry

When the movie's over  
I'll cry I'll cry

(Outro)  
I'll cry I'll cry  
When the movie's over  
I'll cry I'll cry
