Get Cool

Alright A-A-Alright
Yeah
Alright A-A-Alright
Yeah
Alright A-A-Alright
Yeah
Alright A-A-Alright

She move it,
She move it,
She move it,
She move it,
She move it,
She got it.

She move it,
She move it,
She move it,
She move it,
She move it,
She got it.

She move it,
She move it,
She move it.

Come on let's stop and hit the dance floor
The way she bend her back low
It's kinda weird, it's kinda crazy
But I think I like it tho'.

She's fiercer than the motherfuckin'
Tighter than those other suckers
I never seen a girl shake it so hard, I think I'm 'bout to
blow.
You ain't know, I'ma go
Just sit back and watch the show.
The way she back, the way she move, she steppin' up
just like a pro

Bang bang choo-choo train,
Get on down just do your thang
She back it up, they back it up
Get on down just do your thang

She move it, she move it
Her body, her body
So sexy, so sexy
Can't hide it, can't hide it
The way she hit the floor
Yeah
I can't even explain
The way she pop it low, drop it low.
Shawty got dance moves.

She move it, she move it
Her body, her body
So sexy, so sexy
Can't hide it, can't hide it
The way she hit the floor
Yeah
I can't even explain
The way she pop it low, drop it low.
Shawty got moves.

Okay.

Baby said here we go, everybody hit the floor.
They crowdin' by, standin' by
Now it's time to let it go
If you want me, you just got to wait around
Please check out my footwork
Watch me jump around
I'm on the dance floor
Hey there DJ, wassup yo?
The base loud, it's super tight,
But I'm not known to start a fight.
They breakin' out with all the moves
You can't, you can't break the rules
I've been known to do it big
That's why I get cool

She move it, she move it
Her body, her body
So sexy, so sexy
Can't hide it, can't hide it
The way she hit the floor
Yeah
I can't even explain
The way she pop it low, drop it low.

Shawty got dance moves.

She move it, she move it
Her body, her body
So sexy, so sexy
Can't hide it, can't hide it
The way she hit the floor
Yeah
I can't even explain
The way she pop it low, drop it low.
Shawty got moves, moves.

Gone tear it up, tear it up, tear it up
Yeah
Gone tear it up, tear it up, tear it up
Yeah
Gone tear it up, tear it up, tear it up
Yeah
Gone tear it up, tear it up, tear it up

Go 'head
Go 'head
Go 'head
Go 'head
Go 'head
Go 'head
Go 'head
Go 'head

Gona do it
Gona do it
Gona do it
Gona do it
Gona do it
Gona do it
Go go do it, do-do it

She move it, she move it
Her body, her body
So sexy, so sexy
Can't hide it, can't hide it
The way she hit the floor
Yeah
I can't even explain
The way she pop it low, drop it low.
Shawty got dance moves.

She move it, she move it
Her body, her body
So sexy, so sexy
Can't hide it, can't hide it

The way she hit the floor
Yeah
I can't even explain
The way she pop it low, drop it low.
Shawty got moves, moves.
