[Hook]100K 100K

I might go to the bank and just take out 100 k

Hit the club and roll around up in 100 k

How many views you think I'll get that day 100k

100k, 100k

Praise the lord I thought I'd never ever see that day

Every where I go my niggas know its me thats paying

So much money coming in I think that gon need a safe

[G Frsh]I was like 21 sitting at my mums house when

I counted out my first hundred

Slanging to the fiends know my mum didn't agree

All these bitches wanna queue from my cumber (yeah)

More money more problems so imagine all the stress

I'm under

with these sparklers we make lighning cos I cant let 'em

steal my thunder

Cos theres ten yellow bottles sitting on a wall

So we bought em all

5 for the man dem, two for the bitches and then 3 for

the floor

With no security I feel safes

Fresh Prince I fill banks

And I'm still trying to Bill Gates and aint talking making

doors fam

ugh

[Chorus]

[Tinchy]Strides!!

100k and thats on a couple chains

Open shirt by Vivienne Westwood might see me on a

yacht with Jay

White car with a black top, Neemar

R8 might cop me a two seater

Mazel Tov, cash in hand barmitvah

You aint never seen 100k

Label paying a whole heap even before they've listened

And then we toast champagne on the Roleys

Beause they're water resistant

Catch flights, private ket

Blue marli with rs md

100 k, old moneys great

It's only right that the trips on me
Ah huh

[Chorus]

[Tinie Tempah] Press a button in me car it speaks for
itself
If you don't think that money talk then speak for
yourself

So fly up in the camry seat the suite's something else
I got so much presents bitch I think I might need some
help
Yea mafucker MVP of the year mafucker
Its only cos a nigga got shares mafucker
All I see is yachts and lears mafucker, millionaires

Sipping champagne like I sip beer
Niggas thought they ran tings tort's and hair

When money talks I listen, swear the uk rap scene got
another millionaire

[Chorus]

[Konan] A 100k, a 100k
99 problems, a 100 k
Views in a day on the Youtube vid
Youtube money in ya head, Youtube it
For the love of the dough niggas stuck on the road
With some dubs from the ol', tryna move food quick
Put some Uggs in a hole I aint loving the dough
Want a 100k and a big new crib
With 100 bags soon lose a suitcase
Time is money and you neeks are too late
Married to the money all I needs a bouquet
Lyrics courtesy of
Get money all week we don't need to chose days
Selfish I don't need to move bait
Got the game covered you can keep your duvet
Birthday cake hippie hooray
30 bags in my room no room for room mates
I'm calm

[Krept] I looked at konan, like I aint got 100 k yet
He said look at your income you probably will in a bout
100 days Krept
He can see the future thats so Raven
I got money in the hand like I'm Asian
Don't sing to police how I get cake in
Cos I'll rap a singer Drake him
I-I-Im not slow g but I love p and get dough
So I'm dopey

Bags in my hand mafucker no groceries
I'm not grumpy but I get moaney
A lot of girls for the money and the fame ting
I had two chicks Holly and Caitlin

It went from a threesome to a freemason
