[G FrSH]

It's l-l-l-lego
Taking the piss just like a PO
Riding solo in my vehicle
With just my ego and a couple kilos
Chasing status sound like Nero
Dub-stepping for them zeros
Stepping on dub to double up
So it's just my money when they ask what's up
Yea n*gga yea n*gga
One more year when I go clear n*gga
Yea I hear money talks but I don't hear it n*ggas
Best of the best they ain't got no figures
They're size zeros and I'm a fat b*tch
I eat more than your average
Ridiculous what our stack is
Rithickulous is my bad b*tch

Uh
