Stop, drop kaboom baby lemme wreck it  
Lemme get on on this mic and put your life into  
perspective  
With a bomb ass beat and a bomb ass rhyme  
Imma murder it like O.J. everytime  
Never been on TV but I'm an underground sensation  
My shit's like gettin' laid, your shit's masturbation  
I'm an average joe man but have no fear  
I'm 18, unsigned, push a quarter mil a year  
So when you see me around you better remember the  
name  
Cuz I ball like the Lakers, smoke kush like Lil' Wayne  
I stay hardcore when I'm gettin' it on  
And imma hit it and quit it like I was doin' your mom  
You doin' yourself or some nasty bitches  
Just rubbin a genie but you ain't gettin no wishes  
I'm puffin swishers like a boss cuz thats how we do  
You puffin' on your last breath homie you just got  
schooled

I got money in the bank, I got money to blow  
And it sounds so sick when I spit this flow  
When I roll up at the party everybody know  
Cuz It's GBT thats pumpin through my stereo

I roll like Limp Bizkit, eat pussy like triscuit  
And you can't compare when I'm spittin my shit  
I'm fat like kris kingle, turn shit to a single  
Got money in the bank, stackin bitches like pringles  
When it comes to how i'm livin' can't fuck with me  
My girl hot as hell, your girl got a disease  
And everywhere I go I always reek of marijuana  
Cuz I'm puffin' on Obama while I give it to yo mama  
I'm a microphone master, a lyrical disaster  
Make the boom boom beats comin' out yo ghetto  
blaster  
Catch me later on when I'm hittin' up the party  
With my girl gettin naughty, just sippin' on bacardi  
I keep the party jumpin when the bass go boom  
And ya better make room everytime I'm comin through  
And when it's all over y'all know who to thank  
Me motherfucker and my money in the bank
