Come on Luigi, come on Mario lets go for an adventure
Sun or rain or sleet or snow, it don't matter the weather
They're just two best friends, two plumbers
Like superheroes but a little dumber
Always lookin' out for the others
They're the Stupid Mario Brothers

Come on Luigi, come on Mario come and save the day
Cuz we don't want it, we don't want it any other way

What are we gonna do today?
Save the world or play video games?
Jump around and have some fun
No need to work 'till the play is done
Bowser used to be such a hassle
Till we infiltrated his castle
And we got out and we're safe
Stupid Mario Brothers saved the day
