Hey, where have you been all of my life?
Haven't we met somewhere before?
Don't I know you?
Famous first words

I sure like that dress
It matches your eyes
How 'bout a drink?
Where are you from?
Sure, I've been there
Famous first words

The last thing on my mind
When I saw you for the first time
Was falling in love from the first kiss
Never thought that would turn into this

I said how 'bout a dance

First you said no then you said yes
We never looked back
Your still in my arms
Famous first words
The last thing on my mind
When I saw you for the firsttime
Was falling in love from the first kiss

Never thought that would turn into this

Just look at us now
Where'd the time go
Girl ain't life good
We owe it all to a little hello
Famous first words

Just look at us now
Where'd the time go
Girl ain't life good
We owe it all to a little hello
