| You get eternity |
| Tremendous extasy |
| That's what you get from me |
| You will call me when you fear |
| It's just a simple deal |
| That you won't even feel |
| With blood you seal this easy and simple deal |
| Once this is sealed and signed |
| You will be mine all time |
| For all eternity you will have to follow me |
| Bridge: |
| I will get you |
| You won't get me |
| Refrain: |
| If there's a ghost in your mind |
| Call the omen If there's a devil in your dreams |
| Call the omen |
| If there's a monster on your roof |
| Call the omen |
| If there's a witch on the hill |

Call the omen

I don't believe in you

Of what you say and do

I will not sign this deal

Do not care how you feel

Don't want eternity

Don't want this extasy

Don't want to care for these

So please set me free
