"Into The Night"

Captive of silence, the echoes of time
Lured you to doom with the sorcery rhyme
Lying on stone in the vault of your tears
Silent, unmoving through passage of years
Into the night, as still as can be
Never to wake up, nor ever be free
Into the night, into the night
Lying in silence
Forevermore
Passing time beyond measure
and fading away
Into the darkness, into the night
Into the darkness, into the night
Forevermore.

Love beyond love in the cavern you wait
Far beyond light, far beyond fate
Crimson the eyes of the Lion in your dreams
He is so much more than he seems
Wake now My child, time to come home!
Passing time beyond measure,
And fading away
Into the darkness, into the night
Into the darkness, into the night
Into the darkness, into the night
Forevermore....
