If my thoughts were green  
Would you know what I mean  
If I said to you  
My mind is turning blue

I always said we lived in dreams  
But now I know  
You never heard a word I said

I used to see a pure white surface  
On your soul  
But now I know it's only red  
Now I know  
If my heart was gray  
Would you turn away  
Could I get it back  
If my love was black

I always thought I fooled myself  
But now I know  
You never heard a word I said

I used to see a heart of gold  
Deep in your eyes  
But now I know it's only red  
Now I know  
If my thoughts were green  
Would you know what I mean  
If I said to you  
My mind is turning blue

I always said we lived in dreams  
But now I know  
You never heard a word I said

I used to see a pure white surface  
On your soul  
But now I know it's only red  
Now I know

...and now the worst has happened. I leave you, old

friend, and I bid farewell to Longview. I go to find my daughter, and I go to kill the fiend who took her from me and destroyed my world. Evermore is dying.....Is it true? Did you sell us out? He brought your statue to life and maybe you knew love for a moment, but at what cost? You led him to Perelandra! You've let the sorcerer in and now all is lost! And you can be certain your precious Arianna serves him now. I have seen her in dreams -- she has become like him. She is a fallen one, a dark angel with eyes that glow yellow and wings that will carry her from torment to torment. And whom do you serve? Is it too late for you as well? ...I know this is my last letter to you...
