(Instrumental)

In the Third Age of Middle-earth  
Came the long-awaited birth  
A king was born to rule the land  
To wrest it from the Dark Lord's hand  
The Lord of the Rings, he searches far  
From Mordor...where the shadows are  
One Ring he seeks to bind them all  
One Ring he seeks to bring the fall  
Of Elf-Lords and the Sons of Light  
The Dwarf-Kings in their ancient might  
Enslaving all who dare defy  
Mordor....where the shadows lie.

Aragorn, son of Arathorn, heir of Isildur and Elendil --  
The Grey Wizard, your friend of old, is caught in the  
snare of evil. The halflings you must defend, for the  
Nine have been loosed upon the land, and they are  
searching even now.....
