"Gonna Make You"

Gonna makeyou
Gonna make you
Gonna make you
All mine

Gonna love you
Gonna loveyou
Gonna love you
All the time

I want you more nad more each day
And love to hear the things you say
I love to see the things you do
To turn me on, when I'm with you
I'm with you
I'm with you
I'm with you

Gonna makeyou
Gonna make you
Gonna make you
All mine

Oh no, baby

Gonna makeyou
Gonna make you
Gonna make you
All mine
Allright
