The Captain's drowning
And I don't swim to well
Despite my attitude

The Devil died here
We buried her at sea
Drinking wild until sunrise
Sprinkles salt into my eyes
Chewing over many doughs
When I'm drunk I spit it out

And now the light shine
From the Northern star
Saw you radiate
And I don't mean to
Be so seasonal

Spring is here
And no one stood
So Long St. Christopher

And I'd like to believe you
But I can't
So I'll leave you
On your on
Pass the time

And I'd like to believe you
But I can't
So I'll leave you
On your on
Pass the time
Wish I'd been with you
That day...

And I'd like to believe you
But I can't
So I'll leave you
On your on
Pass the time
(I was everything you wanted)
(For a while...)

And I'd like to believe you
But I can't
So I'll leave you
On your on
Pass the time

Wish I'd been with you

And now the light shine
From the Northern star
Saw you radiate
And I don't mean to
Be so seasonal

Spring is here
And no one stood
So Long St. Christopher
