You can take 'The Lexicon of Love' away but I'm  
keeping Remain in Light'  
You can take away 'It's a Shame About Ray' but I'm  
holding on to 'Country  
Life' (Ohhh)  
You can keep 'No Need to Argue' and I'll keep 'The  
Aeroplane Over the Sea'  
But hold on to 'The Boy with the Arab Strap' cos I'm  
holding on to 'Village  
Green'

I don't know if the knot just needs untangling cos the  
tapes get stuck all  
The time  
Either way I'm keeping 'Double Nickles on the Dime'

These were our greatest hits (Shalalalalalalala  
Shalalalala)  
The best of me and you(Shalalalalalalala Shalalalala)  
These were our greatest hits (Shalalalalalalala  
Shalalalala)  
The best of me and you

I still remember buying you 'Band on the Run' on the  
first day that we  
Kissed  
But you always did prefer 'McCartney I' because it  
reminded you of being a  
Kid  
No way your having 'This Nation's Saving Grace' you  
only listen to it when  
Your pissed  
But when you sober up it's always "Why the fuck are  
you still listening to  
Mark E. Smith?"

I don't know if the knot just needs untangling or if we  
forgot which way's  
Up and which way is down  
But still the tape keeps going round and round

These were our greatest hits (Shalalalalalala lalalalala)  
The best of me and you (Shalalalalalala Shalalalala)  
The best of me and you  
Of me and you

Still the tape keeps going round and round.  
The tape keeps going round [repeat til the end]

These were our greatest hits (Shalalalalalalala  
Shalalalala)  
The best of me and you (Shalalalalalalala Shalalalala)  
Our Desert Island Discs (Shalalalalalalala Shalalalala)  
The best of me and you (Shalalalalalalala Shalalalala)
