Oh well  
Well I suppose that you could say  
You can't help  
Help but to learn from your mistakes  
Oh well  
When you put it to me that way  
You can't tell  
You can't tell how long will it take to...

Make up your mind  
What is taking you so long?  
You're wasting my time  
Darling, what is going on?  
Before I draw a line  
You could have been mine this time  
Make up your mind

Oh dear  
Well I would get down on my knees  
But I care  
I care too much about my jeans  
Oh dear  
Well I would sail the seven seas  
To be near to you  
So darling, darling please

Make up your mind  
What is taking you so long?  
You're wasting my time  
Darling, what is going on?  
Before I draw a line  
You could have been mine this time  
Make up your mind

Come on girl

Were you really happy as you ought to be?  
Happy is how happy you could be with me  
'Cuz I feel to believe that he gives you what you need  
But if it's true?  
Then darling why, why can't you...

Make up your mind?  
What is taking you so long?  
You're wasting my time  
Darling, what is going on?  
Before I draw a line  
You could have been mine this time  
Make up your mind  
Your mind  
Your mind

Come on girl
