

Goodbye Elliott "Ticket To Love"

i want a ticket to somewhere,
where i can find the face to leave the memories of
Holland,
i want a ticket to somewhere, anywhere but here.
have you ever felt like there's nowhere,
where you cant find the space to breath the life you've
been given,
i want a ticket to somewhere miles away from here,

maybe its in the air (2x)

if its not enough yet,
iâ€™m in love,
and the new year romantics just make me feel more
alone,
put me on a fast jet, cause i donâ€™t like it on my own,
a ticket to love, a ticket to love,
would bring me home,
bring me home.

i want a ticket to happy,
and i heard they were free, but i just have to chase her
down,
i want a ticket to happy, to wipe away this upside down
smile.
i remember the ocean,
and how it never seemed so close, than when i was
with you,
i want a ticket to somewhere, and i think i know where
now.

if its not enough yet,
iâ€™m in love,
and the new year romantics just make me feel more
alone,
put me on a fast jet, cause i donâ€™t like it on my own,
a ticket to love, a ticket to love,
would bring me home,
bring me home.

boat or plane,
wrong or right

sun or rain,
i'll leave tonight,
train or car
night or day
see you later
navigator.

boat or plane,
wrong or right
sun or rain,
i'll leave tonight,
train or car
night or day
say the words,
and i'm on my way.

if its not enough yet,
iâ€™m in love,
and the new year romantics just make me feel more
alone,
put me on a fast jet, cause i donâ€™t like it on my own,
a ticket to love, a ticket to love,
would bring me home,
bring me home.
