Alone by M D Barnes sung by Vern Gosdin

ALONE - at a table for two

ALONE - waiting for you

I ordered the wine

Like so many times before

Then a chill crawled all over me

My God! This is how it would be

If you, just didn't love me, any more

I never knew

how much I loved you

Until I sat here all by myself

You know you control

my heart and my soul

There'll never be anyone else

So don't be surprised

at these tears in my eyes

It's a feeling I've never known

Now I can see

I was never meant to be alone

Alone - I'd never stand tall

Alone - I'd be nothing at all

Your empty chair nearly scared me to death

And then, you walked through that door

And my heart, started beating once more

Ohhhh please, don't ever leave me here like this

I never knew

how much I loved you

Until I sat here all by myself

You know you control

my heart and my soul

There'll never be anyone else

So don't be surprised

at these tears in my eyes

It's a feeling, I've never known

Now I can see

I was never meant to be ALONE

It's a feeling I've never known

Now I can see

I was never meant to be ALONE

Ohhhh now I can see

I never want to be ALONE
