There's a closet full of dresses that I bought you
And here's the keys to the new car in the drive
And before you leave our room
Put on your best perfume.

If you're gonna do me wrong, do it right
Oh, the next time the phone rings I won't answer
I don't want to be the fool I was tonight
I don't want to know the truth
I don't want to see the proof.

If you're gonna do me wrong, Honey do it right
F C
If you're gonna break my heart all to pieces
Just walk right out and leave me any day or tonight
Take off your wedding band
When he takes you by the hand.

If you're gonna do me wrong, do it right
Take off your wedding band
When he takes you by the hand

If you're gonna do me wrong, do it right.
