I have been wronged by you
Someday you'll, someday you'll see
What has been done brings you
Closer to, closer to me

Did you say you never meant it?
Did you scream it out loud?
Someday you'll, someday you'll be
A ship afloat, and endless road, an empty soul
And nothing to

Nothing to me

The closer that we grow
Always high always low
The harder that we fall
Always right always wrong

I have been wronged by you
Someday you'll, someday you'll see
What has been done brings you
Closer to, closer to me

Unbroken and reborn
Second sights and well-worn
Unbridled and restless
Reminded and venomous

I have been wronged by you
Someday you'll, someday you'll see
What has been done brings you
Closer to, closer to me
Did you say you never meant it?
Did you scream it out loud?
Someday you'll, someday you'll be
A ship afloat, an endless road, and empty soul
And nothing to
Nothing to

Nothing to me

Closer to me

Closer to me
Closer to me
Closer to me
Closer to me

I have been wronged by you
Someday you'll, someday you'll see
What has been done brings you
Closer to, closer to me

Did you say you never meant it?
Did you scream it out loud?
Someday you'll, someday you'll be
A ship afloat, and endless road, an empty soul
And nothing to

Nothing to me
