I listen to your summersâ€™ breeze
I listen to your heart and breathe
I listen to your pulse racing
Baby you got nothinâ€™ but luv
I listen to the song of trees
Sweet lady walk with me
No matter where we journey
Baby you got nothinâ€™ but luv
You got nothing but love
I listen to your rhythm swing
Laughing dancing everything
Sing baby make me believe
Baby you got nothinâ€™ but luv
In the vein of my reflection
In the ruin of its remarks
In my broken down confession I prepare and I remark
I am mistaken misdirected over acting and a fool
Ainâ€™t no captain on this sea of love
A spinning whirlpool you got nothing but love
You got nothing but love
I listen to your summerâ€™s breeze
Sweet lady walk with me
Sing baby make me believe
You got nothing but love
I listen to your summersâ€™ breeze
I listen to your heart and breathe
I listen to your pulse racing
Baby you got nothinâ€™ but love
