My name Grafh girl don't play with me.  
I'm grafh girl don't play with me  
I run this shit don't play with me.  
It go 1 to the 2 to the 3 speak

My name grafh baby I'm comin to town  
With the "NY" sign on the front of my crown  
While y'all runnin around, stuck on the ground  
I'm in the plane lookin at the wing cutting the cloud  
I get to humpin around, I'm dirty  
I'm from the bottom, I'm from under the ground  
Ya heard me?  
I like it real nasty baby  
Please don't try to keep it classy baby  
No  
I want my lips on ya skin  
Start from yo neck to the tip of ya chin  
I'm breathin  
And when ya start beginning to sing  
I'm ready to cum, I only put an inch of it in  
I like that  
Splash  
I let it drip til it in  
You whine ya way and tryna twist to the spin  
Who'd a thought I woulda been wit a been  
When I met you on Myspace and got picked as a friend

I said jumpoff, hey in my Myspace jumpoff, hey  
Come girl, jumpoff, hey in my Myspace jumpoff,  
jumpoff  
Boing  
Jumpoff, hey in my Myspace jumpoff, hey  
Come girl, jumpoff, hey in my Myspace jumpoff,  
jumpoff  
Boing

Now show me what you want me to see

Girl, how fly to you want me to be?  
Girl, I'm superfly when I step on stage  
With this allstar to make you check my page  
And you love my songs and all the mess that I say  
So you sent me a text and I replied "yes I may"  
Amen  
Now I read that text  
Okay, it said somethin somethin somethin somethin  
somethin sex  
That's the only words that I remember in the text  
Started on the keyboard and ended on your flesh  
Started with a maybe and ended with a yes  
Started between the legs and ended on ya breast  
Ooh  
Started off textin flirtin, when ya heard make it hot the  
unedited version  
You sent me some flicks butt naked and tworin  
You look good online but look better in person

I said jumpoff, hey in my Myspace jumpoff, hey  
Come girl, jumpoff, hey in my Myspace jumpoff,  
jumpoff  
Boing  
Jumpoff, hey in my Myspace jumpoff, hey  
Come girl, jumpoff, hey in my Myspace jumpoff,  
jumpoff  
Boing

Now I'm feelin dry bombs  
Grafhblackhand you could log on  
But if you wanna hop on you could log on to my balls  
like my draws got a dot com  
My soul rock the color of pop con  
Now I'm in the drop with some of the top gone  
It might be a Benz or a Jag  
But now I'm lookin for some friendz to add  
Text me baby send me ya math  
So I could hop off the laptop and get in ya ass  
Text me  
Tell me girl, tell me ya pass  
Text me  
I just wanna suplex and smash  
You sexy ass you know  
Oh

Tell me what ya like, what ya don't
