ain't this what you came for  
don't you wish you came, oh  
girl what you're playing for, ah  
(come on )  
come on, let me kiss that  
ooh, i know you miss that  
what's wrong, let me fix that  
twist that  
baby, tonight's the night i let you know  
baby, tonight's the night we lose control  
baby, tonight you need that, tonight believe that  
tonight i'll be the best you ever had  
i don't wanna brag, but i'll be  
the best you ever had  
i don't wanna brag, but i'll be  
the best you ever had  
i hit you with the best stroke,  
freestly in the breast stroke  
til you blowing cigarette smoke  
and now the beds broke  
so what we gon' do now  
f-ck it, round two now  
work it out, then we cool down  
cool down  
baby, tonight's the night i let you know  
baby, tonight's the night we lose control  
baby, tonight you need that, tonight believe that  
tonight i'll be the best you ever had  
i don't wanna brag, but i'll be  
the best you ever had  
i don't wanna brag, but i'll be  
the best you ever had  
[ludacris rap verse]  
Luda, Listen  
You aint even gotta text me  
Knowing me and you got that mental telepathy  
Meet me up at the spot, i'll be sending over the  
chauffeur  
Rich nigga bread, stay popping up like a toaster  
Nobody come close to me and you together  
Step under my umbrella, we'll make it through any

weather

Except when I make it storm, sex in the greatest form  
And hibernate under my body and  
Yep I keep it warmer than a chinchilla  
She know I beat it up like the thriller in Manila  
Flying my private jet to villas in Anguilla  
Then throw you on a grill, that's  
Cause seven days a week youâ€™re my 5 course meal  
Foreal

baby, tonightâ€™s the night i let you know  
baby, tonightâ€™s the night we lose control  
baby, tonight you need that, tonight believe that  
tonight iâ€™ll be the best you ever had  
i donâ€™t wanna brag, but iâ€™ll be  
the best you ever had  
i donâ€™t wanna brag, but iâ€™ll be  
the best you ever had
