All the sun on the outside
â€œDoesn't touch what I feel within
When I've got you beside me
I'm reachin out for the rainbows end
You get to me and give me a feelin that's comin on
Gettin stronger and stronger

Glory bound to that everlastin feelin
Glory bound, oh I'm never never comin down

Its 5: 00 in the mornin
I'm lookin out on a sky of gray
I don't care, let the rains come
If I'm with you it's a sunny day
You make me feel so close to heaven
Whenever I'm beside you

Glory bound to that everlastin feelin
Glory bound, oh I'm never never comin down

I need the comfort I see in your smile
I need the touch of your hand
Come on and bring out the best in me, girl
Don't you know that you can

Glory bound to that everlastin feelin
Glory bound, oh I'm never never comin down

Glory bound to that everlastin feelin
Glory bound, oh I'm never never comin down
