I woke up around 3 am with a picture of you painted on
my mind
Its only a matter of time
for me and you to see if there is a way to save this day
and never walk way
and I think you should know
You're beautiful
like a butterfly in the wind
you're wonderful
I keep falling in love again
and everytime I close my eyes
you're the one I see
cause you are oh so beautiful to me

The sun is shining through the bedroom window
cause everything in you I see
cause you are so amazing to me
everything I had before
you are all of that and so much more

you're beautiful
like a butterfly in the wind
you're wonderful
I keep falling in love again
and I everytime I clsoe my eyes
you're the one I see
cause you are oh so beautiful to me

(Guitar Instrumental)

You're beautiful
like a butterfly in the wind
you're wonderful
I keep falling in love again
oh, everytime I close my eyes
you're the one I see
'cause you're oh so, beautiful to me
