They are the guardians of light  
In the temple of the damned  
They are possessed by demons  
In the shadow of madness

It is the hell's dimension  
To rip out your soul  
Its hell's dimension  
They will come to get you

Demonic dimension

Demonic dimension

Caught in the flames of damnation  
The screams of oppressed souls  
Crucified bodies under the sign of Satan  
Impaled bodies scream for mercy

It is the hell's dimension  
To rip out your soul  
Its hell's dimension  
They will come to get you
