Guess I was crazy thinking I could live without your love  
Coz girl since you've been gone , your name's been on  
the tip of my tongue  
Thought I could shake this thing, but everything comes  
back to you  
You're on the breeze and in the streets of every town  
that I pass through  
Can't drown out the sound of goodbye, as hard as I try

Refrain:

You're stuck in my heart like a song in my head  
A familiar old melody I can't forget  
I'm doing my best, but your memory keeps playing on  
Like a song in my head

Waking up I'm ok, but when I'm on my way to work  
>From out of nowhere, girl you're right there  
everywhere I turn  
On every billboard sign and traffic light, I see your face  
I rub my eyes and try to drive, but baby I can't  
concentrate  
When I'm talking to somebody new, all I hear is you

Refrain:

You're stuck in my heart like a song in my head  
A familiar old melody I can't forget  
I'm doing my best, but your memory keeps playing on  
Like a song in my head

Na na, na na na, na na, na na na  
I can't get you out of my heart  
Na na, na na na, na na, na na na  
Wherever I go, there you are  
Na na, na na na, na na, na na na  
(There you are)  
Na na, na na na, na na, na na na

Refrain:

You're stuck in my heart like a song in my head  
A familiar old melody I can't forget  
I'm doing my best, but your memory keeps playing on  
Like a song in my head

You're stuck in my heart like a song in my head  
A familiar old melody I can't forget  
I'm doing my best, but your memory keeps playing on  
(and on)  
Like a song in my head

Song in my head  
(Na na, na na na, na na, na na na)  
Na na, na na na, na na, na na na, na na na  
Like a song in my head  
There you are...
