Did you ever want to start all over?  
To cut the ties, and just let go  
To close your eyes and say a prayer  
Destination undisclosed

I've a ticket  
on a train to nowhere  
Bound for places all unknown  
And when I get there  
it could be anywhere  
but it's a place I'll call my own

A place where mysteries are waiting  
Somewhere no one knows my name  
There's nothing that I'm running from  
I'm just not running to the same

I've a ticket  
on a train to nowhere  
Bound for places all unknown  
And when I get there  
it could be anywhere  
but it's a place I'll call my own

I know that you might think it's foolish  
And that it's unconventional  
But you know the biggest risk is  
never taking one at all

So I'm boarding  
a train to nowhere  
Bound for places all unknown  
And when I get there  
it could be anywhere  
but it's a place I'll call my own

I've a ticket  
on a train to nowhere  
Bound for places all unknown  
And when I get there  
it could be anywhere  
but it's a place I'll call my home
