Butterfly Lyrics  
Gretchen Parlato

Precious day  
Lights your way  
Rest your wings  
Stay awhile

You're the sun  
In my sky  
Butterfly

You don't know the peace you bring  
You show me the secrets and the ways  
To love every moment of the day  
And flowers you kiss all come to light

Soaring wings  
Rainbow waves  
Touch my mind  
Be so fine

When you're gone  
People cry

Butterfly

Precious day  
Lights your way  
Rest your wings  
Stay awhile

You're the sun  
In my sky  
Butterfly

You don't know the peace you bring  
You show me the secrets and the ways  
To love every moment of the day  
And flowers you kiss all come to light

To give all the love we knew

To see all the light that we can see  
And teach all the children not to lie  
And maybe one day we'll fly

To give all the love we knew  
To see all the light that we can see  
And teach all the children not to lie  
And maybe one day we'll fly
